Sir:

STATEMENT PURSUANT TO 37 CFR 1.821(f) AND 37 CFR 1.825 (a) and (b)

This is responsive to the communication from the Examiner mailed on July 1, 2002 (notice to comply with sequence listing requirements). This statement is made pursuant to 37 CFR 1.821 (f), and 37 CFR 1.825 (a) and (b). Applicants submit herewith a substitute copy of the written sequence listing and a computer readable diskette to comply with the sequence requirements. The amendments to the sequence listing relate only to eliminating the errors detected in the previously submitted sequence listing and adding sequences to the listing that were previously omitted. No new matter has been added.

Applicants' attorney states that the information recorded in computer readable form is identical to the written sequence listing and that neither the computer readable form nor the written sequence listing contain new matter.

Respectfully submitted,
